The screenshot shows a Microsoft Internet Explorer browser window displaying the Singapore Environment Institute (SEI) website. The address bar shows the URL: http://www.nea.gov.sg/cms/sei/Courses_weather.html. The website header features the SEI logo and the tagline "Training Today for a Sustainable Tomorrow". A navigation menu includes links for Home, Search, Courses, NSRS, International Training, About Us, News & Events, Contact Us, and Location. Below the navigation menu is a banner for "Industry Courses" with the text "Nurturing the growth of local industries for a cleaner and healthier environment in Singapore" and a button to "Click button to search and register for courses".

The main content area is divided into three columns:

- Industry Courses:** Contains links for Introduction, View quarterly course calendar for Jan-Mar 06, Environmental Public Health Management, Environmental Control Officers' Course, Management of Indoor Air Quality & Office Ergonomics, Swimming Pool Management Seminar, and Sampling & Monitoring of...
- Understanding the Singapore Weather:** Includes "COURSE OBJECTIVES" (To provide participants with a sound knowledge of the expected weather pattern, smoke haze and lightning risks in Singapore so as to assist him/her in the planning of outdoor activities), "COURSE SYNOPSIS" (General Weather Pattern of Singapore, Introduction, Prevailing Winds over Singapore and Region, Seasons, Description of Individual Weather Elements, Some Weather Phenomena and Their Likely Impacts in Singapore, The El Nino/La Nina Phenomenon and Its Impact on Regional & Global Weather), and "Smoke Haze" (Cause and Effects of Smoke Haze, Past Smoke Haze Episodes).
- Registration Details:** Features a lightning bolt image, a "View Schedule & Register" button (circled in red), and a "View Registration Form" link. The "DURATION:" is listed as "1 day".
