ANNEX C

DISCOVER WHAT'S NEXT CAREERS SHOWCASE

Discover What's Next is a vibrant, youth-centric career showcase that offers opportunities to explore diverse career pathways, engage with participating organisations and gain insights into how personal interests and skills can shape future career choices.

2. The showcase features three experiences:

i. **Profile Glow-Up** – Get a professional headshot and level up their LinkedIn profiles with expert tips from LinkedIn marketing specialists.
ii. **Career Chemistry** – Take a Career Discovery Quiz to unlock a personalised Career Persona and explore career paths aligned with individual interests, skills, and personality
iii. **Career Unfiltered** – Engage with industry professionals from organisations such as **Mandai Wildlife Group, Pan Pacific Hotels Group, Zero Waste SG, Skills & Workforce Development Agency and Meteorological Service Singapore** to gain real-world insights into different careers.

3. Beyond a conventional career fair, the showcase aims to spark curiosity, broaden youths' perspectives on the future of work, and help them discover how sustainability is increasingly embedded across diverse industries and professions.

Overview of Partners' Booths	
Partner Organisation	**Booth Showcase**
LinkedIn	The 15-minute *Rock Your Profile* consultation offers practical tips on improving LinkedIn profiles to strengthen professional branding and support career development.
Mandai Wildlife Group	Discover how careers in animal care, wildlife advocacy, rescued wildlife rehabilitation, sustainable operations and research contribute to wildlife conservation.
Meteorological Service Singapore	Learn about careers in weather forecasting and climate research, and how science and technology support Singapore's efforts to anticipate weather conditions and prepare for the impacts of climate change.
Pan Pacific Hotels Group	See how different hospitality roles, from housekeeping and culinary services to front office, engineering and landscaping, contribute to environmental sustainability.
Skills & Workforce Development Agency (SWDA)	Explore career pathways and skills development opportunities through an *Ask Me Anything* chat to get burning career questions answered, or one-on-one consultation with SWDA's Careers and Skills Advisors.
Zero Waste SG	Be inspired by the people and initiatives shaping environmental education, engagement and advocacy through partnerships with government agencies, businesses, schools, community groups and environmental organisations to promote waste reduction and sustainable practices.
