

Climate-Friendly Households (CFH) Programme e-Vouchers

What is the CFH Programme and who is eligible

The Climate-Friendly Households (CFH) Programme aims to provide 1-, 2- and 3-room HDB households with 3 digital e-vouchers to purchase energy or water efficient products. Eligible households will receive:

A **\$150 e-voucher** to make the purchase of an energy-efficient and climate-friendly refrigerator more affordable

A **\$50 e-voucher** to offset the cost of changing their shower fittings to more water-efficient 3-tick models

A **\$25 e-voucher** to purchase energy-efficient LED lights

How to retrieve e-vouchers

For information on the programme or to retrieve your e-vouchers, visit www.go.gov.sg/cfhp or scan this QR code

When do e-vouchers expire

The e-vouchers expire on **31 December 2023**. For enquiries, email us at nea@redeem.gov.sg
