Dear Sir/Madam,

Notification of ECC Registration Fees

NEA would like to bring your attention to the **ECC registration fee** for new application and renewal following the amendments to the Environmental Public Health (Registration of Environmental Control Coordinators and Environmental Control Officers) Regulations 2021.

2 NEA had earlier informed that the ECC registration fee to be \$160 but reduced the registration fee rate to \$120 in view of the poor economic environment amid the COVID-19 situation. As Singapore re-opened the business activities, the ECC registration fee will be revised back to **\$160 from 1 November 2022 (Table 1)**.

Application for registration as an ECC*	Fee
Application made before 1 November 2022	\$120
Application made on or after 1 November 2022	\$160

* Application to **renew** the registration of an ECC made on or after 1 November 2022 will be \$160

3 The certificate of registration will remain valid for 3 years and can be renewed before its expiry date.
