Format for

PROJECT IDEA NOTE (PIN)

for

CLEAN DEVELOPMENT
MECHANISM PROJECTS (CDM)

For submission to
Climate Change Programme Department
National Environment Agency

Environment Building
40 Scotts Road #11-00
Singapore 228231

Submission shall be accompanied with the final version of the Project Design Document (PDD) submitted to selected Designated Operational Entity (DOE) for validation
1 Project Proponent

1.1 Name Of Project Participants
1.2 Address
1.3 Contact Person / Telephone / Fax / Email
1.4 Company Registration Number
1.5 Description Of Main Business Activities
1.6 Other Project Partners (Local / Foreign)

(Note: The project partners should include all organizations formally associated with the projects e.g. consultants hired to develop, in part or in full, the CDM project, organizations with a claim to any of the CERs generated from the CDM project, financial institutions, etc)

2 Project Description

2.1 Title And Objective Of The Project
2.2 Technical Description Of Project Activity
2.3 Technology To Be Employed
2.4 Location Of The Project
2.5 Project Timeline

(Note: The format for the project timeline shall be a table with the dates for all milestone events (past and future) arranged in chronological order. Milestone events shall include, but are not limited to, the following (where applicable):

- Formal intent/decision/consideration by senior management of the relevant project participants to proceed with the CDM project activity (please note that this has to pre-date all other milestones for the proposed activity to be considered by the UN Executive Board)
- Entering contractual agreement with CDM consultant
- Stakeholder consultation
- Calling of tenders for any part of the project activity
- Awarding of tenders called for any part of the project activity
- Groundbreaking for facilities to be constructed for the project activity
- Signing of contractual agreements by the project participants for the delivery of major equipment needed for the project activity
- Project participants taking possession of facilities/equipment related to the project activity, if applicable
- Commercial operation of the facilities/equipment related to the project activity, if applicable

Please provide supporting documents (such as public announcements, press releases or board resolutions/decisions) related to milestone events in an Annex.)

2.6 Category Of Project Activity
3 Greenhouse Gas Reduction

3.1 Baseline scenario
3.2 Estimate of Greenhouse Gases abated
3.3 Approved Baseline & Methodology Used
3.4 CER crediting period
3.5 Approved Monitoring Methodology Used

4 Sustainable Development Criteria

4.1 Environmental Sustainability
   (i) Project meets Singapore’s Environmental Protection requirements, standards and regulations
   (ii) Project produces real and measurable reductions in GHG emissions

4.2 Economic Sustainability
   (i) Project utilizes more efficient technology (e.g. energy efficient, resource efficient) than common industrial practice
   (ii) Project results in technology transfer and/or capacity building in greenhouse gas emission reduction technologies.

4.3 Social Sustainability
   (i) Project helps to improve quality of life by creating opportunities for jobs, job enhancement, etc

5 Declaration
