NEA/HS/6.6/HSL01

3 November 2026

To: Hazardous Substances Licence and Permit Holders

Dear Sir/Madam,

REMINDER ON SUPPLY OF HAZARDOUS SUBSTANCES TO PERMIT HOLDERS

The National Environment Agency (NEA) would like to remind all Hazardous Substances Licence holders of the requirements relating to the supply of hazardous substances controlled under the Environmental Protection and Management Act (EPMA) and its Regulations.

2 Licence holders should ensure that their customers hold the relevant Hazardous Substances Licence or Permit, where required, before supplying controlled hazardous substances to them. This includes products such as calibration gases containing controlled hazardous substances. Licence holders should therefore conduct the necessary checks to ensure that their customers hold a valid licence or permit covering the hazardous substance intended to be supplied.

3 We seek your cooperation in ensuring compliance with all applicable regulatory requirements for hazardous substances.
