Dear Sir/Mdm,

**APPEAL FOR ASSISTANCE  
MR CHAN KHENG HENG  
ON BEHALF OF BLOCK 511 BEDOK NORTH STREET 3 MARKET ASSOCIATION**

I am writing for the above constituent who appeals to your good office for assistance for the upcoming spring cleaning exercise at Block 511 Kaki Bukit Market and Food Centre scheduled between 24 June and 28 June 2013. I have attached a letter he has written and signed on behalf of the Block 511 Bedok North Street 3 Market Association and the respective stallholders

Mr. Chan said that he was informed by your good office that the contract with the vendors does not include the cost for any cleaning above 2.5 metres above ground and as such, the costs of such a cleaning work have to be borne by the stallholders themselves. Mr. Chan has kindly put forth his appeal in the letter enclosed with this letter.

Mr. Chan appeals to your good office for assistance to look into the matter to facilitate the cleaning process in light of the circumstances depicted above and in the interests of the residents and patrons of the market and food centre. Please look into the case and assist the above constituent wherever possible. I would appreciate it very much if you can reply to my resident directly and send me a copy for my record. Thank you.

Yours faithfully,

Muhamad Faisal bin Abdul Manap

**RE: SPRING CLEANING AT 511 KAKI BUKIT MARKET & FOOD CENTRE**

Dear Sir,

I am appealing to you for assistance for the coming spring cleaning at 511 Kaki Bukit Market & Food Centre schedule for five days from 24<sup>th</sup> June to 28<sup>th</sup> June 2013.

On 26<sup>th</sup> April we had a meeting with AHTC, Mr. Tai and was informed that their contract with the current vendor does not include any cleaning above 2.5 meters above ground and any cleaning above 2.5 meters the additional expenses incurred shall be borne by stall owner/operator.

In the past decade we had cleaning schedule of two minor & major spring cleaning. The minor cleaning usually need a day, the scope of cleaning is the flooring within the food center and surrounding common areas while the major cleaning need five days as the scope include cleaning the ceiling & clearing of the ceiling gutter of debris with no additional cost to us.

We understand that the spring cleaning practice is set by NEA and we fully support it because it ensured a clean environment for the residents and general public who patronize the place. We on our part co-operate with the spring cleaning and stop business for five days without income and reimbursement for our losses; we also foot the bill of erection of tent age to cover our stall from spill during the cleaning process.

The practice set by which agency is irrelevant when the root cause is for the good of residents and that the reason we support it. We also hope that you and AHTC in view of the cause and for the residents will engage a capable contractor to do the job like the former town council had done without incurring further financial hardship on the stall owner/operators.

We thank you for your time and attention in this matter.

Yours faithfully

Chan Kheng Heng

On behalf of 511 Market Association and stall holders
