To: All Traders, Freight Forwarders,
Cargo Agents and Carriers

Dear Sir / Mdm

PCD(ODS) TRADENET AUTO-PROCESSING

Currently, PCD processes and clears inward/outward declarations on-line via the Tradenet system for import/export of ODS (Ozone Depleting Substances) to fulfil our obligations under Montreal Protocol.

2 With effect from **1 Apr 2005**, the processing of all import/export permit applications containing ODS shall be semi-automated via TradeNet to expedite the issuance of the Import/Export Permits for your consignments.

3 To obtain the Import/Export Permits promptly, please ensure that the following are correctly declared in your Import/Export Permit applications containing ODS:

- a) HS code of the ODS;
- b) Product Code of the ODS;
- c) The Company's ODS Licence Number must be declared in the "Licence No." field. All Licence Nos. are to be added with character "R" at last digit, such as A0123L040123R, B0123L040123R, C0234L050345R etc.

The list of the HS codes and Product codes assigned to the ODS are in **Annex A**.

4 You may wish to refer to our webpage at <http://app.nea.gov.sg/cms/htdocs/articles.asp?pid=1523> for more information on the Import/Export Permit applications. For further enquiries, you may also call the TradeNet Officer at Tel: 67319377 for further clarification.

Yours faithfully
