REVISED FEES FOR BASEL EXPORT/IMPORT/TRANSIT PERMIT

This circular aims to inform companies on the revised fees for the Basel Export/Import/Transit Permit.

2 The National Environment Agency (NEA) is always mindful of the impact of any revision to fees and will continue to keep fees affordable. From time to time, it is necessary to revise some fees, in order to bring our fees closer to full cost recovery due to market inflation and enable NEA to enhance its operations to serve the public better.

3 The fees were last revised in 2015. Thus, this revision is necessary given the increase in the administrative and operational costs of administering these permits over the years.

4 Please be informed that with effect from 1 April 2021, the following fees for the Basel Export/Import/Transit Permit will be revised as shown in the table below.

Revised Fees (Effective 1 Apr 2021 onwards)

	Original Fee	Revised Fee
Basel Export/Import/Transit Permit (1 year)	\$335	\$370
Basel Export/Import/Transit Permit (3 Months)	\$125	\$165
Amendment of Permit	\$45	\$85
