Revision of Legal Requisition Fees for Drainage Interpretation Plans (DIPs)

Details

Legal Requisition Fees for Drainage Interpretation Plans (DIPs) will be revised from 1 Sep 2014.

2. NEA is always mindful of the impact of any revision to fees, and will continue to keep fees affordable. From time to time, it is necessary to revise some fees, in order to bring our fees closer to full cost recovery and enable NEA to enhance its operations to serve the public better.

3. Please be informed that with effect from **1 Sep 2014**, the legal requisition fee for each DIP will be revised to \$35.00. This revision is necessary given the increases in the administrative and operational costs of processing the DIPs over the years.

4. The DIP can be purchased via Internet Lawnet at the following website address:
